TRYOUT FAQ'S

How many tryout dates should my son attend?

We recommend new/prospective players attend 2/3 tryout dates with the first and second tryout dates as a priority. Current/returning players should plan to attend 1/3 tryout dates.

What time and where are the tryouts?

The specific times and tryout locations for each age group will be communicated via email approximately one week prior to the start of tryouts.

When will I be notified if my son makes the team?

Player invitation emails will be sent within 24-hours of the completion of each tryout date. Families will have 24-48 hours to accept roster position.

What is the team's schedule and team fees?

Each player invitation email will include a breakdown of the teams schedule and total team fees. A non-refundable deposit will be required at registration and the remaining team fees balance will be paid monthly (autopay) from October 2024 - July 2025.
